## Webley / Webley & Scott Mark 3 .177 Air Rifles

£ 425

### Description

An very nice collectors item and a good find in such as nice condition. This Webley Mark 3 comes with a gorgeous walnut stock, in my opinion, and its metal work is in great condition for it's age. Most Mark 3's aren't as good as this! Give us a bell if you have any questions!

**Condition:** Used
