**Description**

9015 CLUB FT 12FTLB .177 Listen, no, really,listen! These have proved very popular. So good are these that two chaps in the north are beating everyone it seems. I beleive they have been asked to shoot for England. Anyway, this gun has been powered up and tuned by Jon Harris(a lot of work involved) Quick fill fitted and hammer spring adjuster fitted so you can sort the power out to suit yourself
