Webley / Webley & Scott Tempest .22 Air Pistols

£ 250

Description

A Webley Tempest is fantastic condition. Much much better than "good" condition but I can't say mint! As mint to us is just like new. Shoots great and would be perfect for a collector. The original owner bought the gun in 1981! Message us for more details!

Condition: Used

Sale type: Trade

Make: Webley / Webley & Scott

Model: Tempest

Mechanism: Over Lever

Calibre: .22
